The serialization began at MangaONE on July 15, 2017. A synopsis of Editing Source Former Takagi-san and her daughter, Chi-chan, bring you this teasing home comedy. Will you be good, too? The characters were edited by Takagi, a housewife who constantly teased her husband, Nishikata, when they were high school students. Nishikata, a man who was constantly teased by his wife Takagi when they were high school students. Chia, Takagi and Nishikata's daughter. As of August 2020, ten volumes have been released. Chapters (edit the source of editing) Trivia (edit source) The order of the manga differs from the internet and volume. The chapters inside the volume are the same as the web just out of order. Takagi Kanji 高木 Ryomai Takagi - Personal Data - Gender Female Age 12-14 22-24 (Spin-Off) Height 150 cm (Age 12-14) Hair Color Brown Eye Brown Relatives Nishikata (Husband)Chia (daughter) Professional Status - Status Live Student Profession - Voice Actor - Japanese Ri Takahashi English Sarah Wiedencheft (Season 1)Kayleigh Mills (Season 2) - Debut - Manga Chapter 1 Anime Episode 1 Takagi (高木 天衣) is the main character along with Nishikata (西片, Nishikata) in Karakai-Dzu-no Takagi-san. She is a high school student who is in the same class as Nishikata, a boy whom she constantly teases and secretly feels. She's sweet, smart, caring, carefree and fearless, whether with or without Nishikata. In the future (time skip (Spin-Off)), she is shown to be more mature and responsible for her daughter Chi and the family she and Nishikata are in. She has long, straight brown hair that falls on her upper back, with the middle of her bangs and two strands of hair framing her face on each side. She has big brown eyes, thin eyebrows, pink cheeks and a light complexion. She wears a sailor's spring-summer uniform as a school attire. In autumn/winter, she wears a long-sleeved uniform with a red bow tie, a blue skirt, black socks and brown clogging. For P.E., she wears a shirt with red color around the cuff and neck collar. The P.E. shirt also contains a reading of 1-2 just like P.E. Nishikata's shirt. For bathing, she wears a blue swimsuit. She also wears casual clothes on weekends and during summer holidays. As an adult in the manga spin-off, she pulls her hair back into a ponytail and usually wears a dark T-shirt and jeans. Personality (edited by source) Takagi - and caring caring She can often be seen teasing and mischievously acting towards her classmate Nishikata, but she takes great care of him and really enjoys her time with him. Takagi is considered very smart, constantly scoring higher scores on tests than her classmates. She wins most of her competitions against Nishikata, although she doesn't seem to be a competitive person. Thanks to Nishikata's expressions and manners, she can easily read his thoughts and follow what he sees, does and thinks. Also, she's not easily scared, as seen when Nishikata tries to scare her with a chilling video and she barely reacts. Takagi is believed to be well aware of myths, rumours and romantic stories, although whether she really believes in them is debatable. Although Takagi is known to strike first and strike back quite easily, she can fake her emotions and problems, even feigning the joy of laughter and insulting nishikata's failures and mistakes. Although she is usually calm and level-headed, Takagi sometimes loses her cool, especially when she's around Nishikata. When Nishikata tells her that he would rather go home with her rather than play video games with his friends, Takagi gets startled and has to regain his composure. Also, when Nishikata asks to accompany him to the summer festival, Takagi becomes emotional, trembling and blushing as soon as Nishikata rides his bike. As an adult, Takagi's personality varies very little. As a mother, she becomes more mature and responsible while maintaining her love of teasing Nishikata. She still gets agitated sometimes, such as when she eavesdrops on Nishikata to call her cute like a button, causing her to blush. The story of the edit source nothing much is known about Takagi's story, but it was revealed that she and Nishikata met on the first day of high school, chronologically kickingstart the plot when Nishikata takes a lost headscarf to the school Lost and Found, which made him late when going to his assigned class. After deciding on a seating, she found herself seating next to Nishikata herself and continues to ask him the reason for his lateness, in which he reluctantly cites that Takagi-san man as the reason for not knowing the identity of his neighbor. Later, she realizes that she lost before the entrance ceremony. After the ceremony Takagi began challenging Nishikata, guessing a specific reason why he was late, with Takagi guessing right and Nishikata getting scolded for his loud reaction. Then she showed him a handkerchief, to his shock. Relationship (edit source editing) Nishikata (edit source) Main article: Nishikata Nishikata and Takagi are classmates and close friends who sit next to each other in class, both have a mutual love for each other. While all banter and problems are there, there are times when Takagi tries to have a truly romantic and rewarding experience with Nishikata, but he struggles to let his guard down in fear of being teased. They are later shown as a married couple in a spin-off manga and chapter 31 of the original manga. Together with their daughter, Chi, they are shown to live a happy, seemingly carefree life. Mano edit (source of editing) Main article: Mano Mano and Takagi are good friends and classmates. Takagi also encourages Mano to be more assertive towards Nakai, as shown in the heads of the pool. In Chapter 93, Mano asks Takagi for more advice on the relationship with Nakai, in which Takagi shares some of the strategies she uses on Nishikata. Chi Nishikata (editing by Editing by Chi Nishikata Chi - Daughter of Takagi and Nishikata. She's spitting the image of Takagi, though her personality is much more similar to Nishikata.
