For those looking for a useful way to spend their time during social distancing or anyone just interested in creating a deeper connection with their home-HB has launched Home Love, a number of daily tips and ideas to make every minute of the indoor more productive (and enjoyable!). Getting a new infusion game is one of the easiest and most entertaining ways to attract the whole family. Maybe you're a regularly scheduled night game of sorts, or maybe you just like to play a random game or two together to turn an otherwise boring night into a fun night of activity at home. Either way, there are so many board games out there to choose from that will do more than just help you pass the time, they will help you with all the connections, too. Do you prefer classic board games such as Clue and Sorry! or want to try newer, modern family games (Explosion kittens, anyone?), you're sure to find the one you love here. From in-depth strategic games you can play for hours to simple, fast games that even your younger children can play, these are some of the best board games for families. Advertising - Continue reading below

- 1 Best for Families with Teen Codenames amazon.com You and Your Family split into two teams to hunt down secret agents based on special code words in this hit game. This is a good game to play if you have teenagers at home, as it is recommended for ages 14 or more. But, if you want to play a more kid's option, you can always go with Disney Codenames.
- 2 The best classic board game Clue Classic board game lovers will appreciate Clue, everyone's favorite game mystery, where you try to be the first player to find out which of the game's characters committed a murder, in which room, and with which weapons.
- 3 Tv bedbathandbeyond.com \$29.99 Perfect combination of phone game and Pictionary, this drawing game is sure to make the whole family laugh. This package is good for up to six players, and all you have to do is draw some quick sketches and make guesses based on other people's drawings.
- 4 Funny Board Games Throw Burrito It just might be a silly game on this list, but you're guaranteed fun playing it even as adults. You work to collect and match the cards, and if you draw the right ones, you will have to have a duel where you throw adorable burrito foam at each other.
- 5 Blast Kittens Game This unique card game that has emerged from a highly successful Kickstarter campaign, is easy to learn and fun for the whole family. Each player works to match the cards and avoid exploding kitten cards that can kick them out of the game.
- 6 Best for Big Groups Heads Up! With maps in different categories to choose from, you are sure to find games that everyone in the family will appreciate. Also, you don't have to buy a physical persistent game to play, you also download Heads Up! On your smartphone and buy categories your family prefers.
- 7 Yahtzee Yahtzee is a great game to have on hand because it's as portable as it is Play. Since it does not use the actual board and some dice and score cards, you can play it anywhere and with anyone aged eight years or more.
- 8 Battleship If you are looking for a great game to play with only two players, the battleship is another classic that everyone will love to play. Goal? Place your ships on the playing field and then try to guess where the other player's ships are. The first person to find all the battleships of the other will win.
- 9 Rummikub Rummikub is very similar to rummy's card game, but played with tiles and some joker wild cards instead. It's quick and easy to learn, you can play with two or four players, and is a good staple to have in any collection of board games.
- 10 Best For Catan Strategy Lovers: 5th Edition If Your Family Loves Serious Strategic Games, Catan is the perfect game for you. Players work to settle the island, building roads and cities while trading and collecting resources along the way.
- 11 Ticket Ride Another great version of the strategy game, Ticket to The Trip is a game in which players compete to build railroad tracks throughout the United States, working to connect all the different train stations to each other. To win, you need to create the longest continuous train ride on the board.
- 12 Apples for Apples Mattel walmart.com \$29.98 Apples for Apples is one of those games that never gets old because both adults and kids love to play. Each player takes turns to be the judge and draws an operational card, while others anonymously submit their cards to fill in the gaps. The card, which the judge considers the funniest or most appropriate, wins.
- 13 Sorry! Another timeless classic, sorry! It is a simple insistence game in which players (aged six years to) work to move all their pawns to the finish line while avoiding being sent back to the beginning.
- 14 Sequence Game Sequence combines maps and strategy to create a classic game every age seven and up can play. Players place chips on the board as they play cards out of their hands, and aim to make a sequence of five in a row. Also, you can play against yourself, too.
- 15 The easiest game tip is Connect 4 Hasbro walmart.com \$24.99 for a super simple game that anyone can play without memorizing a bunch of rules or having to strategize that much to go with Connect 4. It's like Tic Tac Toe, but more complex and interactive.
- 16 Operation Hasbro walmart.com \$13.44 Operation is a lot of silly fun for the whole family. If you're playing like a kid, you know the drill: Try to remove all the ailments without hitting the sides and turning off the buzzer. It's harder than you think!
- 17 Guess who? Hasbro walmart.com \$19.86 Another great two-player game, Guess Who? This is an easy game that you can play with children and adults of all ages. Ask questions about the different characters on your board to who is the other first player to guess correctly wins.
- 18 Spot It! This matching card game is a great game for players aged seven and up, and can be played in several ways to mix things up, so you don't feel the feeling You play the same game over and over again.
- 19 Best new take on the classic Uno Attack You already know and love Uno, an easy and competitive-card game of kids and adults alike love. Take it one step further with Uno Attack, which makes the game much more unpredictable. You never know how many cards he will be thrown out to you!
- 20 Game Night in a Can amazon.com When in doubt, go with a game that can do it all. Game Night in can actually has all behind plugs for 30 different games and creative activities in one place, so you and your family will never be bored.
